

Firedancer Vibrational Essences

Buddha Fire Formulas

ASCENSION...Raises the vibrations of our physical, emotional, mental & spiritual bodies in its most exalted form. Grounds heavenly qualities within the body.

BUDDHA FIRE...Integrates the love and passion for life while burning away illusion and distraction; bringing us the stillness

and mindful practice of the Buddha within.

BUDDHA (with-in)...Know thyself and remember. Attunement to the Buddha that lives (with-in). Use in meditation and nature to deepen stillness and inner calm.

CHILD CALM...Supports sensitive children in handling stressful environments. Also great for the child with-in too!

COMPASSION...A feeling from the depths of an open heart. The experience of love & acceptance. Opening to all that life offers. Seeing the divinity in all life.

DANCING LOTUS...Celebrating the pure joy of being alive. Master healer--balances all the chakras. Stimulates psychic abilities. Use to enhance other formulas.

DOORWAYS(of the ancestors)...Accessing the link we have with our ancestors--future, past & present. DNA link with the female lineage. Great meditation & exploration tool.

EMERGENCE...Enhances cellular memory of our origins. Awakens one to their "true self". Soul alignment in present time. Newborn blessings, sacred-holy-birth (rebirth).

FULL CIRCLE (medicine wheel)...This is a momentum essence guiding us to be in the right place at the right time. It moves "stuck" energy and integrates past and future experiences into present time. Where are you on the wheel of life?

GOLDEN AURA...Infused with Pure Gold fortifies and strengthens the etheric web of our bodies. It opens enhances and warms the heart's fire; expanding it into the aura. Access and express higher vibrational energies with more ease.

GRACEFUL INTEGRATION...Integrating and assimilating the emotions into the heart, this is the key to life's grand experiment! Use with divine openings for a gentle unfolding, or after any healing sessions; the peaceful heart essence.

GRATITUDE...Opening to all of life's gifts. A graceful welcoming of the divine moment with a thankful heart. Sit quietly and focus on whom and for what you are grateful then take the drops. You may even want to start a gratitude journal.

GRIEF/LOSS...Supports us in being present with our feelings during the grieving process. Bringing one to a state of release and acceptance. Allowing time for the heart to feel and heal.

HAPPY-HAPPY-HAPPY...Bringing aliveness and joy to a heavy heart. Remembering to take life lightly. Just repeat the name 3 times and see what we mean.

HOMECOMING...This essence shines a light onto the pathway home, from the void into light homecoming through the heart. It's now time!--time to come home.

INNOCENCE (remembered)...Becoming child-like again. Reclaiming an innocence felt in the womb between Mother & child. Releasing others judgments regarding who & what you are supposed to be.

INTIMACY(In-to-me-I-see)...Deep com-minion with self, often in the presence of another. Helps us open to greater depths in our relationships.

LEADERSHIP...Aligns us with our divine self, empowering one to fulfill their destiny. This is leadership from the heart dispelling any false illusions; standing tall.

LEELA...Brings playfulness to one's spirit. Understanding this is all a grand experiment/experience. Relax and enjoy life, remember it's all a divine play. Lighten-up! .

LIQUID LIGHT...A DNA resonator & cellular accelerator. Raises the Life Force quotient of your being-ness. Also use in water or with food, plants or pets. Place 9 drops in a spray bottle to cleanse your aura and refresh the room. Daily use in food & water with amazing results!

PASSION DANCE (soul receipt)...Receiving our soul pieces that have fragmented off during traumas throughout lifetimes. Full Soul expression called home. A dance of receptivity & awakening passion, (receptive action). Releasing old thought forms. .

"Vibrational Healing Tools for the Body, Mind, Heart & Soul"

LIFE FORCE TRANSMISSIONS

This is a carefully researched technique for gathering the Life Force of our highly potentized formulas. Our natural essences are made from flowers, animals, minerals, trees and the elements. Infused with sound harmonics, color vibrations and love.

To be taken orally with amazing results!

PROSPERITY (Inner)....A richness of faith, acceptance & harmony with all life. Opening to prosperity within while reflecting it outwards. Abundance in life is the process of attraction. .

PSYCHIC CLEAR....Clears your energy field of negative and unwanted energies--internally and externally. Put nine drops in a spray bottle for clearing self and the room. .

PSYCHIC HARMONIZER....Harmonizes and calms the nervous system and neuro-pathways--an electromagnetic energy balancer. Helps alleviate burnout symptoms, and addiction stress. .

RESURRECTION (soul receipt)....Rising from the ashes at a soul level. Calling home our soul pieces through attraction and receipt, pieces we have lost or given away. Releases negative thought forms.

SAMADHI....A divine experience of inner tranquility & peace. The ultimate state of One-ness. Finding center to know & love yourself. **SHAPE-SHIFTING...**Becoming one with your environment. Perceiving & projecting subtle frequencies in your field of experience. Blending or becoming invisible--it's all about conscious choice. .

SOUL/CELL-Rebirth/Renewal...Opens internal pathways to cellular & soul renewal. Healing emotional traumas beginning from maternal imprinting (soul rebirth). .

SPIRITUAL VISION....Seeing through the windows of time, with/clear vision and pure intent, as if gazing into the ultimate crystal ball. Penetrating clarity. .

SURRENDER....Use surrender to travel into your biggest fears & let go. Absolute surrender comes from absolute trust. Surrendering in each moment to whatever life brings. .

TANTRIC PASSION....Integrating sexual ecstasy with spiritual illumination, through an open heart. Graceful integration of the crown, heart, and base chakras in a deeply loving and passionate expression.

THE MASTER....Healing and protection bringing attunement to the cosmic immortal and infinite nature of all forms of god. Purifying thoughts, words, & deeds. .

TRANSITION....

Assists in all phases of soul evolution, moving from one state of being to the next. Helping to release attachments to people, places & things. Acceptance of death or completion in all its forms. .

TRANSMUTATION....

Helps change your perspective on any thought form or condition; transmutation on all levels, cellular, soul, spiritual and physical. Focus and set your intent on that which you would like to transmute, then allow. .

VISION QUEST....For discovering your direction in life. Helps to understand your place and path in the world finding clarity through visions and inspiration. Seeking your personal and spiritual allies. .

WU-WEI....Action through in-action. Supports stillness and allows receptivity (in-action). Through this our greatest experience of creation (action) is realized. .

CHAKRA FORMULAS (Immune system) .

Support for the immune system through the chakra energy system. Each formula strengthens the awareness for a specific chakra while supporting , clearing healing and correcting any imbalances.

1st Chakra...Grounding to the earth's energies. Enhances existence & survival. Adrenals, spinal column, kidneys & fertility.

2nd Chakra...Helps in healing sexual imbalances through purification and cleansing. Reproductive system & fertility.

3rd Chakra...For balanced expression of the will, establishing personal power & healthy boundaries with self & others. Stomach, liver, gall bladder, & nervous system.

4th Chakra...For love and compassion, towards self and others. Awakening and discovering the spiritual heart between the solar plexus and the physical heart. Heart, thymus blood and circulation.

5th Chakra...Enhances creative self expression, communication and the personal witness. Throat, thyroid & lungs.

6th Chakra...For connection to the spiritual witness in us. Aids in clairvoyance, clairaudience, & intuitive awareness. Pituitary gland, ears, nose, & nervous system.

7th Chakra...Strengthens the total
